Thank you to Anthony and Faith's parents for providing us with the treat for their birthday celebration. Monday, Danae Kent will be substituting for me and will be here with Mrs. Jensen. She taught kindergarten here at HCES for 9 years and we have worked together for several years. Danae taught Kindergarten to my daughter, Hannah too! My conferences on Monday will be in the play room/center room just right of our classroom. I will be poking my head into the class when I have open times so it should run smoothly.

Thanksgiving Feast: Tuesday is our feast! Your child will not need a snack that day. I will have a sign-up sheet at conferences for what is needed for the feast and for the Christmas Party. Thank you!

Conferences: I am looking forward to meeting with you on Friday or Monday. Thank you for taking the time to meet with me!

Homework: No new homework is coming home next week. All homework is due December 5th. Thank you!

Phonics: We will be working on the sounds for S and blending with the vowels next week.

Math: We will continue to practice writing numbers and number families through 50. We will work on telling time to the hour and addition.

SCRIPT FUNDRAISER: November is script contest month-the class that gets the most orders will win! Here are the dates to buy/pick up: 12/1 buy 12/5 pick up. An order form was emailed to you but if you need a form just let me know and I will send it home with your child. I love to shop/eat with gift cards instead of cash. It is so easy. Let's try to win!
