

ART BUILDS CHARACTER
ART GIVES STUDENTS A CREATIVE OUTLET

1. **Thankfulness:** Learn to appreciate art, beauty and creativity. God created man with the ability to produce and apply beauty.
2. **Discernment:** Critique of famous artists - Look at art carefully and critically - What is the message? What makes it art? What should and should not be viewed?
3. **Respect:** Learn to respect different opinions, views, and abilities in art.
4. **Self Esteem:** Who we are in Christ. Expressions of inner thoughts and feelings. Gaining a sense of accomplishment.
5. **Joy:** Joy in the creativity God has placed within us and expressing it through art. Every person has a measure and gift of creativity.
6. **Worshipful, Glory and Praise:** Art that reflects God and His beauty. Communicating God's truth and love to man through the study of creation, expressing God's truth in personal art.
7. **Introspective:** Personal critique and reflection of work. God evaluated His creation when He was finished He stated, "It was very good".
8. **Self Motivated to Excellence:** Learn to build on the creativity a student already has and help them improve to their personal excellence. Excellent works of art are described throughout the Bible. God is interested in beauty.
9. **Diligence:** Study and recognition of famous artists and how their art relates in the world around us. How art impacts our everyday lives.
10. **Skillfulness:** Principles and Elements - Learn the seven principles and seven elements in art and put them to use in personal works. Everyone has a gift of creative expression - students can use principles and elements to develop their skillfulness.
11. **Perseverance:** Ability to work through the struggles in creating art knowing that solutions and success can be hard but very rewarding.
12. **Resourceful:** Learning to use the materials available to make the most creative artwork possible.
